The beautiful and tranquil English gardens are made up of hundreds of acres of flowers, trees, hedges and sculptures. The gardens use walls, hedges, gaps in the hedges to separate gardens or to entice the visitor to the next garden or to just come and sit.

However, we won't participate in 2009 due to our hosting the Regional. The next club participation will be in 2010.

Bobbie Kromm, food committee, asked for food suggestions. Breakfast will be served at the hotel; snack foods, bottled water and lunch will be served at various gardens.

Reporter for MoKanOk: Bernie Schmidt. The spring issue will be late according to Jane Amy.

5. Old Business. The five minute trouble shooting question: What type of mulch is best for daylilies? Types used by club members are free mulch from the city dump, fresh chipped wood chips, and cedar mulch. Don't put any of it too close to the plant to prevent rot.

This meeting A thru M brought their favorite daylily pictures. The next meetings, June 2nd, names N through Z are to bring their favorites.

Time: 4:00 p.m.

Place: Presbyterian Church located 8th and Leavenworth

Present: President, Jane Amy; Treasurer, Steve Thien; Secretary, Bernie Schmidt; and 35 members

Banquet time: 4:00 – 5:00 p.m.

1. The meeting was called to order at 5 p.m. by President, Jane Amy. There were no new members to introduce. Sue Sauvain introduced her sister, Nancy, as a guest.
2. The minutes from the August meeting were approved.
3. Treasurer's report. Steve Thien. The financial report for August-September, 2008 showed an ending bank balance of \$14,894.55 as of September 24, 2008. The largest income for the period, \$5,550.00, came from the Farmer's Market daylily sale.
4. Committee reports.

No committee reports were presented except for the daylily sale and the Regional report.

FHDS Farmers Market Sale: Rick & Irene Johnson. Irene reported that the event went very well. She was pleased with the number of helpers for digging, cleaning, tagging and with the sale the next day. Although it was raining, helpers and customer showed up to make the FHDS Farmers Market Sale a record sale.

2009 Regional Meeting Chair: Steve Amy. Steve gave an update on the plans for the 2009 Regional. We still need a chairperson for the hospitality room. The bus captain chairman has changed. Gary McKenzie declined. Ernie Minton will be doing the job. Six to twelve bus captains are needed. Jo Lyle, registrar, needs assistants. Marian Quinlan needs help putting together registration packets. Chris and Julie Parsons are in charge of the auction. If you know someone who wants to donate plants for the auction, have them contact the Parsons. Steve said Wichita's 2008 Regional budget will serve as a model for our club as it worked very well for Wichita. Many volunteers are still needed. A clipboard with signup sheets was circulated. Volunteers needed are: at the registration table, the hospitality suite, with the registration plants, registration bags, garden help (chairperson), garden food, and bus captains.

5. New Business. A signup sheet was circulated for those who want to purchase the 2009 Eureka.

According to Flint Hills Daylily Society bylaws, yearly dues are \$5 per single membership and \$8 per couple/family. A motion was made and approved to increase yearly dues to \$10 per single membership and \$15 per couple/family. In order to increase the yearly dues, we will need to change FHDS bylaws. It will be voted on during our next members' meeting.

Pat Freeman suggested that the amount used to purchase daylilies (to be given out as drawing prizes at meetings) be increased. Since our membership has increased, it's difficult to go home with a daylily. Our club bylaw states: "The maximum purchase price for the daylilies at each meeting is \$200." Steve Thien asked for a motion so that we can vote to change our bylaws at the next members' meeting. A motion was made and approved to increase the purchase price to \$300.

All club members, who are also AHS members, receive *The Daylily Journal*. Kevin Wolek, the President of AHS, has proposed a special offer to clubs so that they may make additional copies of the journal available, to prospective members, at their public events. We could order up to 50 but have chosen to order just 25. Those copies will be "loaded" with our membership and voucher information to be given to prospective members to encourage them to join the national organization.

The nominating committee, Ann Redmond, Maureen Thien and Jane Amy, selected officers for 2009. Those nominated and approved by members are:

President, Carla Bishop

Vice President, Ernie Minton

Secretary, Ruby Zabel

Treasurer, Steve Thien

Member-at-Large, Marian Quinlan

6. Our daylily drawing was conducted by Steve Thien. Members brought potted daylilies for the drawing and Steve Thien had purchased plants from Bob Scott for the drawing.

7. The meeting adjourned at 5:45.
