5. Committee Reports:

Meetings and Programs-- Ernie Minton reported that due to preparations for the July Region 11 meeting, no program will be planned for the June meeting. April's meeting will include numerous plant drawings so there will not be an additional program. Members were encouraged to provide input on possible programs for both the August meeting and the Fall Banquet.

Daylily Bloom Show, Grower's Tour and Buying Trip, and Member Garden Tour are all on hold this year due to hosting the 2009 Region 11 Meeting.

Fall Daylily Show—Irene Johnson, chairman, had nothing to report at this time.

Fall Banquet—Norman Benton has agreed to chair this committee again.

Refreshments—Maureen Thien will chair again. Tonight's refreshments will be provided by Kay Hummels, Carla Bishop, and Maureen Thien. Maureen will provide water and coffee at all meetings.

Mentors—New members seeking FHDS mentors, or members willing to act as mentors, should notify Jo Lyle.

Manhattan Area Garden Show—Ernie Minton reported that it will be held February 28 and March 1 at Pottorf Hall in CiCo Park. FHDS will provide a promotional booth. Members were encouraged to sign up and reminded that their participation would count toward eligibility for the hybridizer program drawings. Carla has promotional materials including AHS brochures, the Daylily Journal (purchased by the club), and Region 11 "Prairie Promenade" 2009 Region 11 bookmarks.

MoKanOk Daylily News—Ruby Zabel submitted an article for the Winter 2008 edition.

Registration forms will be printed in the Spring 2009 edition of The MoKanOk Daylily News.

Ernie Minton will act as Bus Chairman. Based on Wichita's 2008 meeting, with three buses we will need approximately 120 registrations to break even.

Flint Hills Daylily Society

February 2, 2009, 7:00 p.m.

All FHDS members were encouraged to sign up and volunteer at the Region 11 Meeting. Steve will email a list of Region 11 Meeting committees after sign up is complete. Members should also notify Steve if their gardens can be advertised as an Open Tour Garden.

6. Old Business:

Member Shirts—Maureen Thien provided pricing and options from GTM for several styles of shirts. After polling member preferences, the majority agreed on a poly/cotton “Performance Mesh” Polo shirt in red with FHDS Manhattan embroidered in white. Orders, with a minimum of 36, must be placed prior to the April meeting. Payment of \$17.25 will be required prior to ordering. Silk screened T-shirts can be ordered at the June meeting.

7. New Business:

Our club’s role in the maintenance of the Stoneybrook daylily bed was discussed. This is not a public garden and is the only garden maintained by FHDS club membership. Members were asked if this was something they wanted to continue. Discussion toward a decision was tabled until our April meeting.

Jane Amy raised the question of whether FHDS planned to continue donating Stout Medal Winner daylilies to the KSU gardens. No action taken.

A motion was made and approved at the September 28, 2008 Meeting to increase yearly dues to \$10 per single membership and \$15 per couple/family. Per FHDS Bylaws, Article IV. Amendments, Steve Thien made a motion to revise yearly dues effective February 3, 2009. After a second from Jo Lyle, the motion carried.

A motion was made and approved at the September 28, 2008 Meeting to increase the maximum purchase price for daylily drawings at each meeting from \$200 to \$300. Per FHDS Bylaws, Article IV, Amendments, Steve Thien made a motion to increase this to \$300. After a second from Maureen Thien, the motion carried.

Wendy Dunafon then suggested that this be raised to \$400 because members are reimbursing to the club a portion of that purchase cost. Terry Tabb made such a motion, and Trevor Nekuda seconded it. Members may finalize approval at the next regular meeting.

Julie Lea made a motion that FHDS provide a \$30 contribution to AHS in memory of long-time member Caryl Jones and after a second from Steve Amy, members approved.

MoKanOk-- Julie Lea made a motion that FHDS send \$300 to MoKanOk for publication costs. After a second from Gary McKenzie, members approved. Chris Parsons also suggested that members might e-mail their compliments of the MoKanOk publication to the new editors Harry and Sharron Gregory—well done!

6. Old Business:

Stoneybrook-- President Carla Bishop has contacted Stoneybrook and has plans to work on cleaning the daylily bed tomorrow. Mardi Finn volunteered to continue maintenance as she has in past years. The Stoneybrook daylily bed was designed by Tom Hittle and is a memorial to Leon Delmez, founder of the FHDS Society.

FHDS Shirts—Forty-one shirts, for 2009 Region 11 Meeting, were ordered by members. Individual shirts can still be purchased through GTM. Thank you Maureen for coordinating this effort!

Stout Medal Winners to KSU Gardens-- Jane Amy inquired about continued placement of Stout Medal Winners in the KSU Gardens for public viewing. Recent years should include 2006 Ed Brown, 2007 Lavender Blue Baby, and 2008 All American Chief. Steve Amy made a motion to continue this tradition; Jo Lyle seconded. Members approved. Stu Warren will find out if this is acceptable with KSU.

August FHDS—Scott McElwain, Director of KSU Gardens, was suggested as a possible program for August.

Daylily Drawings—Bylaws change will increase daylily drawing purchases from \$300 to \$400 beginning in 2010, since plants have already been purchased for 2009. Steve Thien noted that typically these purchases have been worth almost double resale price because of the generosity of the hybridizers.

Leon Delmez Memorial Daylily—Members who have extra fans of this daylily are encouraged to bring them to our Fall Banquet so they can be shared with all new members.

Yearbook Committee—Tabled.

Announcements-- Included activity and meeting dates for several local clubs (Audubon, Wichita Daylily, Salina Daylily, Topeka Daylily, Town & Country Garden) as well as the KSU Gardens Iris sale to be held July 25th.

We will need people to deadhead in the gardens; provide homemade cookies, breads, fruits and veggies; and man the hospitality room, etc. Sue Sauvin will circulate a signup sheet for 'goodies'.

Ernie Minton, Bus Chair—Anticipates use of 3 buses (to accommodate 120). A preliminary agreement has been made with Arrow Stage Line in Kansas City. There is the possibility of "sharing" a bus from St. Louis or from Oklahoma. Several slots are still open for Bus Captains.

Registration forms for Region 11 Meeting are printed in the MoKanOk Daylily publication. Registration cost is \$105, but FHDS members get a reduced rate of \$55 (if they are a club member by April 2009 and if they have signed up and work at the Region 11 Meeting).

Membership dollars and the online daylily auction are the main income support for the MoKanOk publication which costs about \$12,000 per year (\$4000 x 3 times).

The benefits of joining AHS were overviewed. The \$25 membership to AHS provides a \$25 voucher toward daylily purchases from vendors to new members or members upgrading their membership, as well as four issues of the AHS "The Daylily Journal".

Topeka Daylily Club has donated \$400 toward 2009 Regional Meeting expenses.

It was noted that the garden of Frank Schmeidler and Ralph Diaz will be a 2009 Region 11 tour garden instead of Mardi Finn's garden.

Marian Quinlan has secured registration bags from Wal-Mart. Bags will include Chamber of Commerce information packets as well as other goodies. Marian Quinlan is still collecting 'items'.

 - Mention was made of forming a Yearbook Committee. No discussion or action.

8. New Business:

Publication costs of the Region 11 MoKanOk Daylily Journal are supported by plant donations to the Internet Daylily Exchange Auction. This Auction is the largest money-maker for Region 11, and typically starts mid-July and runs 6-8 weeks. The Auction at Winter Gathering also provides another funding source. Steve Amy reported that additional funding support will be needed should we continue publication of the Journal three times yearly. This may mean alternative promotions of the Auction, or perhaps local funding sources.

Carla Bishop suggested that an FHDS informational and membership brochure might be something to consider. Distribution could be, perhaps, through the Manhattan Chamber of Commerce, Manhattan Area Garden Show booth, and FHDS Farmers Market Sale.

Steve Thien distributed a Daylily Clump Sale flyer. Steve and Maureen will offer entire clumps for sale on August 15th as they are down-sizing.

Maureen Thien offered to sell one last Men's Large FHDS shirt for \$8.00. Sold!

Gary McKenzie reported that he had an offer from a daylily grower in Michigan to ship plants to our club for resale. It was a general consensus that we should decline the offer as our Region 11 Tour Gardens will be reducing their clump sizes and inventory considerably now that the Region 11 Tour is over. Many of those plants will go to the Farmers Market Sale. A suggestion was made that they be shipped to the new Bluestem Daylily Society in Salina.

The question was then raised as to the fate of any leftover sale plants. Irene Johnson said they would/could be taken to the Wednesday Farmers Market at CiCo Park but that any leftovers from that would be composted.

9. Daylily Drawings:

After a reminder from Steve Thien that we all need to get our Fall Banquet donation plant potted up soon, the drawings began. Even with a current year budget of only \$200 per meeting for drawing plants, the value of the plants for the evening's drawings were almost \$1,000. Thank you hybridizers (and thank you Steve)! Next year our daylily drawing budget, per meeting, will increase to \$400.

10. The meeting adjourned following Daylily Drawings, approximately 9:45.

Respectfully submitted,

Fisher Hall, Presbyterian Church

1. President Carla Bishop called the meeting to order at 5:10 p.m. following a pot luck meal with approximately 25 members in attendance.

2. Ernie Minton, Vice President, introduced Robin Calderon as the evening's guest speaker.

Robin, owner of Earlybird Daylilies and Iris, an AHS Display Garden in Garden City, Kansas, says her first real introduction to daylilies was in 1992 when she attended a National AHS tour with a friend. She has since acquired over 1900 varieties. One collection particularly special to her includes nearly 70 of hybridizer Frank Kropf's daylilies—Robin believes Frank to be the "king of layered doubles" and plans to introduce several of Kropf's seedlings within the next few years. Robin says "you come for the daylilies and stay for the people". How true!

3. New member Judy Mayberry was introduced.

4. It was noted that honorary member Glenna Clarke would like a 2010 FHDS Yearbook.

5. Bobbie Kromm reported that funeral services for FHDS member Sue Sauvain will be held Tuesday, October 6, 10:30 a.m. at the Glasco Christian Church. FHDS By-Laws specify a \$30 Memorial contribution as well as a \$30 AHS contribution in the event of the death of a FHDS member. Irene Johnson made a motion to initiate both contributions and, after a second from Ann Redmon, members approved.

6. Minutes of the August 3, 2009 minutes were approved.

7. Treasurer Steve Thien reported a current balance of \$20,008.71. Ernie Minton made a motion to approve the Treasurer's Report and, after a second from Marian Quinlan, members approved.

8. Irene Johnson, Co-Chair of the Farmers' Market Sale, extended her thanks to members for their support in digging, washing, tagging and selling daylilies at our annual money-maker. In spite of the current economy, sales exceeded \$5,000.

9. Carla Bishop, outgoing President, thanked officers and committee chairpersons for their part in a successful year. A thank-you card was also read from Steve Amy for the club's recognition of his role as 2009 Region 11 Summer Meeting Chairman.
